Job Embedded (Ongoing):
District-Wide and Area-Wide versions*

**Why choose ongoing,
job-embedded PD?**

personalized
offer teacher choice
create teacher collaboration
prompt teacher reflection
promote application/implementation of best practices
provide timely feedback
lay groundwork for sustainability

Thank you for all that you do to keep me learning and sharing with my students. I truly appreciate it.

Participant, 21-22

In so many ways it helped us grow and become more independent!

Participant, 21-22

The activities helped me see that small changes in my classroom can have a big impact on student engagement.

Participant, 21-22

Thank you so much!! Everything you expect from us is realistic and attainable in the classroom. Thank you for being supportive and so positive all the time!

Participant, 21-22

Thank you for all the hard work you put into making this accommodate every teacher.

Participant, 21-22

**What do participants
think about
job-embedded PD?**

This was time well-spent! All PD should be this useful!

Participant, 21-22

I would like to continue this next semester, so I can continue my growth as an educator and that of my students.

Participant, 21-22

I feel like each time that you come into our school and bring in more insight to new materials, I learn as much as my students do. This is a great opportunity for new ways to teach our students in a modern world of fast changing times.
