

WorkKeys Information for the LPN Program at Beck School of Practical Nursing

One of the requirements for entrance into the Beck School of Practical Nursing LPN program is to submit ACT scores from within the last 5 years of 18 or higher or to meet score requirements on the WorkKeys Applied Math, Workplace Documents and Graphic Literacy tests.

The WorkKeys tests are given at the Regional Office of Education, 134 N. Main Street, Red Bud, IL 62278 every Tuesday. Any questions you have about the WorkKeys testing can be answered by calling the ROE office at 618-60-0154. Any questions about the LPN program should be directed to the Career Center of Southern Illinois, Beck School of Practical Nursing at www.gotoccsi.org or 618-473-2222, ext. 122.

You register for the WorkKeys tests at www.roe45.net/registration.html# and pay a \$22 fee for each test—totaling \$66 for first-time LPN testers. Everything you need for testing is provided at the test site. The only thing you will need is a photo ID.

First-time testing begins promptly at 9:00 a.m., so the ROE asks that you arrive about 8:45 a.m. to sign in and get ready for testing. Each test takes 55 minutes with optional 5–10-minute breaks between, so you can plan to be finished shortly after noon.

The Beck School of Practical Nursing has set the required scores as 5 for Applied Math and Workplace Documents and 4 for Graphic Literacy. You get your scores immediately after finishing testing, and we send your scores to Beck the same day. If you do not meet the required scores, you can retest a particular test 3 times before having to wait 6 months to test again. At any time, you need to retest only those tests for which you did not meet the required score, and your scores are good for 5 years. Register for retests, which begin at 1:30 p.m. at both the Waterloo Regional Office of Education every Tuesday and at the Chester Regional Office of Education the first and third Wednesdays of the month, at www.roe45.net/registration.html#. Be at your location about 1:15 p.m. to be prepared to take the retest.
